

Installing a Restriction Plate Kit to TH 192 Thermostat and Hygrostat

Product Number

192-321

Installation

1. Remove thermostat or hygrostat from wall.
2. Remove the old gaskets, filters, and restrictor plate.

3. Reassemble new kit parts, putting them in the same relative positions as the original parts (see *Figure 1*). Notice that the restrictor plate has a locating tab which fits in the space provided on the back of the unit.

4. Remove the two screws holding the connector.

The installation is now complete.
