

AQF4150 Replaceable Sensor Tip Calibration Certification

Product Description

The certified sensor tips for the Q-Series Relative Humidity and Relative Humidity & Temperature Sensors are replaceable. Following are the instructions for returning a defective sensor tip if you desire a certificate of calibration for the old tip.

Instructions

1. Purchase a new AQF4150 Sensor Tip.
2. Complete the following return information, which is on form A465 Ah/Ah (included in the package). A duplicate of this form is on the reverse side of these instructions.

Company: _____

Name: _____

Address: _____

Country: _____

Fax: _____

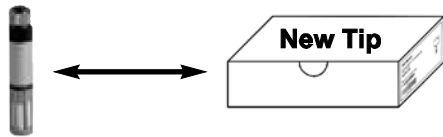

E-mail: _____

3. Enclose the completed form along with the old tip in the shipping carton that the replacement tip was sent in and send to the following address. A return-shipping label is also included in the package. You can use your preferred shipper (post office, DHL, etc.)

SIEMENS Switzerland, Ltd.
Building Technologies Group
International Headquarters
HVAC Products/Sensors
Gubelstrasse 22
CH-6301 Zug

Upon receipt of the old tip and the completed form, you will receive a certificate of calibration from SIEMENS Switzerland, Ltd. via e-mail or fax.
